Mile Marker

With the rapid pace of today's healthcare environments, a smart and efficient workspace is essential. Mile Marker delivers forward-thinking solutions for today's hardworking healthcare spaces.

With its broad offering and smart design, Mile Marker provides supportive solutions throughout facilities. Whether it's for caregiver work stations, patient rooms, exam spaces, family respite areas or lab environments, Mile Marker adapts and supports specific needs.

Its high quality construction is dependable from the time of install and throughout the life of the product. Mile Marker's extensive offering of material and options make it easy to specify for both renovations and new construction projects.

Mile Marker - modular cabinetry and casework with the full facility in mind.

carolina
an OFS company

Supporting caregivers, patients, and families along their journey.

Healthcare environments witness change and require supportive response with intuitive products and efficient spaces. Mile Marker delivers forward-thinking solutions to positively impact the healing experience for caregivers, patients, and their families.

With its insightful product offering and smart design, Mile Marker instinctively responds to differing needs in the healthcare landscape. Perceptive caregiver stations, serene patient rooms, and amenity-rich family respite ares all speed healing with higher performance. Mile Marker's precise engineering and high quality construction ensures support for hardworking environments from install through the life of the product. An extensive selection of materials and options meet the distinctive challenges of all levels of care.

Advances in healthcare will continually shift the journey ahead.

Whether for caregivers, patients or their families, Mile Marker will be there along the way.

Caregiver spaces

Work studies provide first-hand knowledge of how caregivers perform their daily tasks. Quick response, balanced with supportive space, is the key driver to safe, happy and healthy caregivers. Mile Marker provides the tools along the caregiver's quest to support work flow in healing environments.

Patient spaces

Evidence based design supports the idea that patients respond positively to a favorable environment. Mile Marker creates supportive and healing spaces with warm and comforting finishes, seamless surfaces to sustain infection control efforts and personalized storage for security and peace of mind.

Public spaces

Families are increasingly involved in the care and rehabilitation of their loved ones. Mile Marker equips nearby respite areas with all of the comforts of home. Cabinetry components are designed to easily incorporate such amenities as beverage centers and other appliances, work spaces for personal use and storage areas for longer stays.

Why modular cabinetry and casework?

- Mile Marker delivers a highly engineered and consistently manufactured final product
- Mile Marker offers continuity in design throughout each area of the facility.
- Shipping fully assembled offers agility and easy installation.
- All of Mile Marker's components can easily be moved and reconfigured.
- Mile Marker simplifies specification processes ensuring confidence throughout the design phase
- Shorter manufacturing lead times allow for specification decisions to be made later in the design process.
- Mile Marker allows for adaptability to a facilities future needs.
- A full support team means help is available from specification through installation.

What are the financial benefits to modular cabinetry and casework?

- Mile Marker offers tax advantages, depreciating over a 7 year period.
- Mile Marker can be registered as a capital asset versus a fixed asset.
- Easier specification and installation means less time and labor is required.
- Mile Marker can be reused and re-purposed as needs change, freeing up future finances for other needs.
- Budgetary concerns are addressed early on through standard publishing pricing.

How does modular cabinetry and casework enhance the facility?

- Mile Marker's broad standard product offering provides solutions for multiple areas of the facility.
- The option rich solutions offered by Mile Marker allow each application to be customized for specific needs.
- Mile Marker's support solutions range from specific work functions to more general applications within a facility.
- Mile Marker provides consistent aesthetics throughout the full facility addressing infection control, housekeeping, and maintenance concerns.
- Mile Marker's thoughtful design and multiple options address infection control concerns.

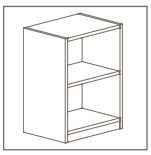
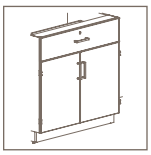
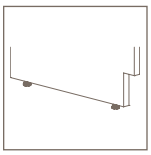
Mile Marker
Base cabinet features



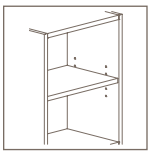
CHASSIS
are TFL (Thermally Fused Laminate) with 1 MM edge banding.



DOORS AND DRAWERS
are TFL (Thermally Fused Laminate) with 3 MM PP edges.

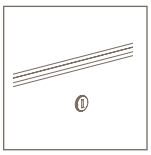


ADJUSTABLE LEVELERS
are included on all base cabinets for leveling on uneven floors.

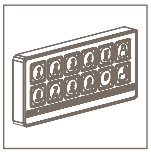


ADJUSTABLE AND FIXED SHELVES
available for added flexibility.

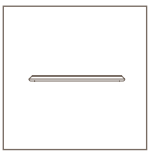
DRAWER LINERS
protect drawer interiors and provide easy cleanability of the drawer interior.



STANDARD LOCK

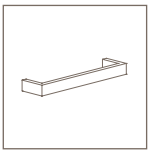


OPTIONAL KEYLESS LOCK
with combination keypad.

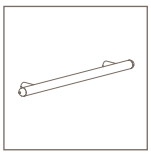


AWE PULL
is available in Luster Grey, Bone White, Chalk, Onyx and Satin Nickel.

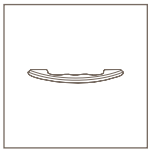
CREST PULL
is available in Luster Grey, Bone White, Chalk, Onyx and Satin Nickel.



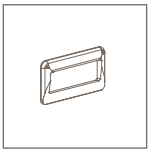
ERA PULL
is available in Luster Grey, Bone White, Chalk, Onyx and Satin Nickel.



FORTE PULL
is available in Luster Grey, Bone White, Chalk, Onyx and Satin Nickel.



GRIP PULL
is available in Luster Grey, Bone White, Chalk, Onyx and Satin Nickel.



RECESSED PULL
is available in Satin Nickel only.

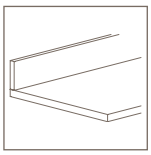
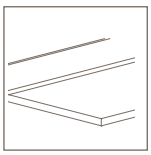
Work surface features



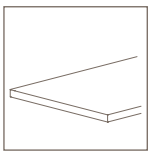
LAMINATE WORK SURFACES

are HPL (High Pressure Laminate) with all Wilsonart Standard HPL colors. A 4" high backsplash is included and requires seams to be sealed at installation.



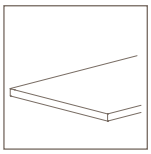
SOLID SURFACE WORK SURFACES

are available in 7 tiers and include a 4" high integrated, seamless backsplash.



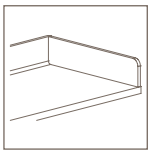
LAMINATE WORK SURFACES

are HPL (High Pressure Laminate) with all Wilsonart Standard HPL colors.



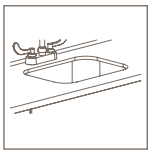
SOLID SURFACE WORK SURFACES

are available in 7 tiers.



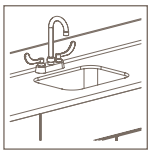
SIDE SPLASH

is 4" high and available left, right or both. Requires seams to be sealed at installation.



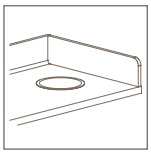
SINK

is available as drop-in ADA with laminate tops. With solid surface tops, you can choose between integral ADA, under mount ADA, and drop-in. Approximate size of sink is 16" x 11.5" x 4.5"with a standard lavatory drain hole (1 5/8" diameter.) Lavatory drain not included with sinks, but required to complete installation.



FAUCETS

B5R - Paddle Handle 3.5" Gooseneck
B5S - Sensor 5.25" Gooseneck
HND1 - Single Handle 5.75" Gooseneck
HND2 - Sensor 4.875" Spout
HND3 - Paddle Handle 8" Gooseneck
HND4 - Single Handle 4.5" Spout
HND5 - Sensor Edge 4.75" Spout



WASTE RING

has a standard 6" diameter and is available in black or silver with laminate top and black, silver or integral with solid surface top.

Product

Is Mile Marker veneer or laminate?
Mile Marker's chassis are Thermally-Fused Laminate (TFL) and tops can be specified as either High-Pressure Laminate (HPL) or solid surface.

How is Mile Marker shipped?
Prior to shipping each unit is cleaned, covered with environmentally responsible micro-foam and placed into a cardboard furniture carton and then tagged for shipment.

Can Mile Marker be customized?
Mile Marker can be customized with different size chassis, standard or wall-hanging base cabinets, and sloped or flat tops on uppers and storage cabinets. Any of our standard laminate wood grains and solid colors can be specified. There are five options for pulls, as well as three options for hinges. Any configurations that cannot be created with standard product can be manufactured as a special product.

Can Mile Marker go with other Carolina products?
Mile Marker's wood grain laminate options all have matching Carolina standard wood finish companions, so they can easily match any Carolina product that is specified. Is mounting hardware included when shipped? All Mile Marker cabinetry is recommended to be anchored to a wall. Hardware is not included with the cabinets.

Does Mile Marker offer fabric, glass or resin panels?
Mile Marker does not offer fabric, glass or resin panels standard, but these can all be quoted as specials for any product.

How is Mile Marker electrified?
Electrical components can be pulled through flat or raised wall panels.

What items aren't included that should be provided by other trades?
-Base Cove Molding
-Drain basket/assembly for sinks
-Battery power located under and behind the sink basin.

What different environments does Mile Marker fit into?
Mile Marker is a comprehensive offering a modular cabinetry and casework that is ideal for any area where traditional millwork would be specified.
Listed below are some of the environment possibilities that Mile Marker can fit into:

Marketing

How will designers benefit from Mile Marker?
Modular cabinetry and casework, like Mile Marker, is easier and faster to design, order, and install than traditional millwork. Casework is movable and easier to adapt to different working environments. Casework also costs less than traditional millwork and fewer changes have to be made due to the many options available.

How will healthcare staff benefit from Mile Marker?
Work studies provide first-hand knowledge of how caregivers perform their daily tasks. Taking into consideration the need for quick response, balanced with supportive space, Mile Marker provides caregivers the tools needed to support work flow.

How will the patient and family benefit from Mile Marker?
Evidence based design supports the idea that patients respond positively to a favorable environment. Mile Marker creates healing spaces with warm finishes, seamless surfaces to sustain infection control efforts, and personalized storage for security and peace of mind.

What is Mile Marker's price point?
Mile Marker is competitively priced to offer a complete solution for cabinetry and casework.

Where can I get Mile Marker information?
Clicking on the Mile Marker link on the Carolina website at www.carolina.ofs.com will take you to the specially created Mile Marker section. Everything from downloadable price lists, specification tools and brochures, to information on typicals and finishes is available.

What specification tools/resources are available for Mile Marker?
Available for download at the Mile Marker section of the Carolina website is the Mile Marker price list, brochure, FAQs, spec sheets, drawings, installation guides, image gallery, typicals and materials.

Ordering/specifying

Why is Mile Marker easy to specify?
The comprehensive step-by-step instructions in the price guide simplify the ordering process. If there are any questions, our trained customer service representatives and Mile Marker specialists are ready and able to assist.

How do I get pricing on Mile Marker?
Pricing for Mile Marker is available for download at www.carolina.ofs.com/casegoods/modular/mile-marker or contact your Carolina representative directly.

What is Mile Marker's lead time?
Mile Marker is available at Carolina's standard lead-time.
