Surcharge

Effective April 4, 2022, a 3% surcharge on net prices will be applied.

OFS Staks Price List

January 10, 2022

Clean, customizable design with the power of a system and personality of a modern studio.

SHIFT WITH STAKS®

OFS introduces STAKS®, a new crossover casegood™ designed to span from the private office to open plan workspaces. STAKS® is priced to delight buyers without sacrifice.

STAKS® provides precise, customizable design with the power of a system and personality of a modern studio. Loads of surface options and built-in features create studio environments that stir conversations and pollinate ideas. Real veneer, laminate surfaces and premium materials bring the luxury of a private office into the open.

Divide space more freely than a conventional system. STAKS® Spine & Divider Wall Panels create privacy for focused work and are perfect for studio collaboration. A maximum 48" dividing height delivers personal privacy yet encourages collaboration with ideal sightlines. STAKS® also meets LEED IEQ requirements for seated height views.

STAKS® is customizable. It embraces the beauty of cabinet-based design to create a perfect fit. Spine & Divider Wall Panels, Worksurfaces and Storage can all be sized to meet any condition. OFS brings a superior history in craftsmanship to open plan, giving everyone on the floor private office fit, performance and luxury.

LOVE WHERE YOU WORK

With STAKS®, everyone on the floor experiences private office luxury. Cool surroundings, real veneer, residential work areas, organized to the max. STAKS® creates personal spaces with an intimate fit. Tune in and jam. Drop your pack in a bin. Pop in and sit down. STAKS® supports active workspaces.

Flow STAKS® through an entire company. Details and materials know no boundaries, extending seamlessly from the private office into the open. Modern clean veneers, designer laminates and glass and resin surfaces create premium environments. Add distinctive touches, such as patterned fabrics and architectural hardware for a specifier's pipe dream. STAKS® easily blends with millwork for a genuinely winning environment.

STAKS® is scaled for smaller spaces. Lower height surfaces, compact storage and layered work areas make offices feel roomier. Workstations don't skimp on capacity, offering real elbow room comfort. STAKS® easily accommodates today's shrinking private office.

SPEC AND BUILD EASILY

Because STAKS® is a crossover casegood™, its inherent casegood characteristics make it a breeze to specify. No system vocabulary to work around, just simple components and easy connections.

Spec STAKS® just as you would conventional casegoods. Create the ideal office, play with materials, harmonize colors, textures and hardware for a perfect client fit. Avoid the learning curve and frustration of complicated systems-based furniture.

STAKS® is not dependant on a panel system and features Divider Walls & Spines to divide space and create privacy. Simple and efficient UL® rated electrical and data solutions travel under Worksurfaces and through Divider Walls & Spines to neighboring Workstations.

Installing STAKS® is easy. Start with Divider Walls & Spines. Add Worksurfaces and layer additional worksurfaces. Then add on Tackboards and Privacy Panels. Finally, outfit the exact storage needed for each worker.

GO GREEN

Create great environments sustainably with STAKS. The design intent from the start was to provide a sustainable solution for designers. STAKS not only meets environmental requirements, but exceeds requirements for a true greener workspace.

STAKS can contribute toward multiple credits within the most current green building standards and certification systems. For a complete description of STAKS' progressive environmental commitments and attributes please view through 'Sustainability' under our 'Information' tab at www.ofs.com or under our Environmental Attributes section on page K.

PRODUCT PRICING

Location: Web & Print

Pricing for STAKS® Typicals can be quickly found online on the STAKS® website at www.ofs.com/products/crossover/staks.

Pricing for individual STAKS® components and basic information to assist with accurate product specification can be found in our printed STAKS® Price List. Available hardcopy or a downloadable version is on the STAKS® website.

PLANNING IDEAS & APPLICATION GUIDELINES

Location: Web & Print

The STAKS® website homepage and Price List features Typicals to jump start space planning. Overall dimensions, individual footprint and suggested applications for private office and open plan are shown. In addition, the online Color Inspiration Tool shows alternative color and materials palettes. Visit www.ofs.com/products/crossover/staks.

Specification information for individual STAKS® components can be found in our printed STAKS® Price List. Available hardcopy or a downloadable version is on the STAKS® website.

WEIGHTS & CUBES

Location: Web & Print

Weights and cubes are shown on the specific product pages in the STAKS® Price List. Available hardcopy or a downloadable version is on the STAKS® website, www.ofs.com/products/crossover/staks.

FABRICS & FINISHES

Location: Web & Print

STAKS® broad palette of wood veneer finishes, woodgrain and solid color laminates options is consistent with all OFS products and is designed to coordinate with OFS casegoods and seating. Finish options are shown under the Materials tab on the STAKS® website www.ofs.com/products/crossover/staks/materials. Printed fabric cards and a OFS Finishes Brochure are available for request by email at catalog@ofsbrands.com or by contacting your STAKS® Project Spec Analyst or OFS Sales Representative.

PRODUCT PHOTOS

Location: Web & Print

Images for STAKS® Typicals (Private Office and Open Plan) can be found on the STAKS® website www.ofs.com/products/crossover/staks.

Many STAKS® images are displayed in our STAKS® Brochure, available hardcopy or a downloadable version is on the STAKS® website. Additional images are available from our STAKS® image library. For access to these images, contact your STAKS® Project Spec Analyst.

PRODUCT DRAWINGS

Location: Web & Print

2D and 3D CADS for STAKS® Typicals are available for downloading on the STAKS® website, www.ofs.com/products/crossover/staks.

STAKS® is available on Giza & CAP and also available on the Visual Impression rending tool, a space planning software tool that uses clear, graphic communication to choose colors, finishes, shapes, layouts, sizes and quantities while tallying up the parts and pricing for a complete, accurate quote of the specification.

WARRANTY, TERMS & CONDITIONS

Location: Website & Print

Warranty and terms and conditions are provided in the STAKS® Price List.
Available hardcopy or a downloadable version is on the STAKS® website.
Visit www.ofs.com/products/crossover/staks.

INSTALLATION GUIDELINES

Location: Web & Project Shipment

Installation guidelines can be downloaded via the web on the STAKS® website. Visit www.ofs.com/staks to access. These installation guidelines will also be sent with the product delivery upon every STAKS® project installation.

FAQ'S

Location: Website

STAKS® FAQ's answer the top questions regarding STAKS®. A downloadable version is on the STAKS® website, ofs.com/products/crossover/staks.

'BUILDS EASILY' VIDEO

Location: Website

A quick, simple animated video is available on the STAKS® website to show the simplicity of STAKS® installation and advantages over a typical panel system. Visit www.ofs.com/products/crossover/staks.

ELECTRICAL VIDEO

Location: Web

STAKS® offers three simple UL listed electrical systems based on a customer's need: 1) a 4-wire system, 2) an 8-wire system and 3) a fully enclosed data and electrical system. The 8-wire system is easily explained in an Electrical Video on the STAKS® website, www.ofs.com/products/crossover/staks.

DESIGNER VIDEO: PAM LIGHT

Location: Web

STAKS® Designer, Pam Light, is featured in a STAKS® video presenting her firm's design intent, inspiration and solutions available with STAKS®. Available for viewing on the STAKS® website, www.ofs.com/products/crossover/staks.

SPEC SHEET

Location: Web

STAKS® Spec Sheet is available for download on the STAKS® website,
www.ofs.com/products/crossover/staks.

BASIC BUILDING BLOCKS

Location: Website

STAKS® Basic Building Blocks displays the full statement of the line for STAKS® and is available for download on the STAKS® website, www.ofs.com/products/crossover/staks.

ENVIRONMENTAL DATA SHEET

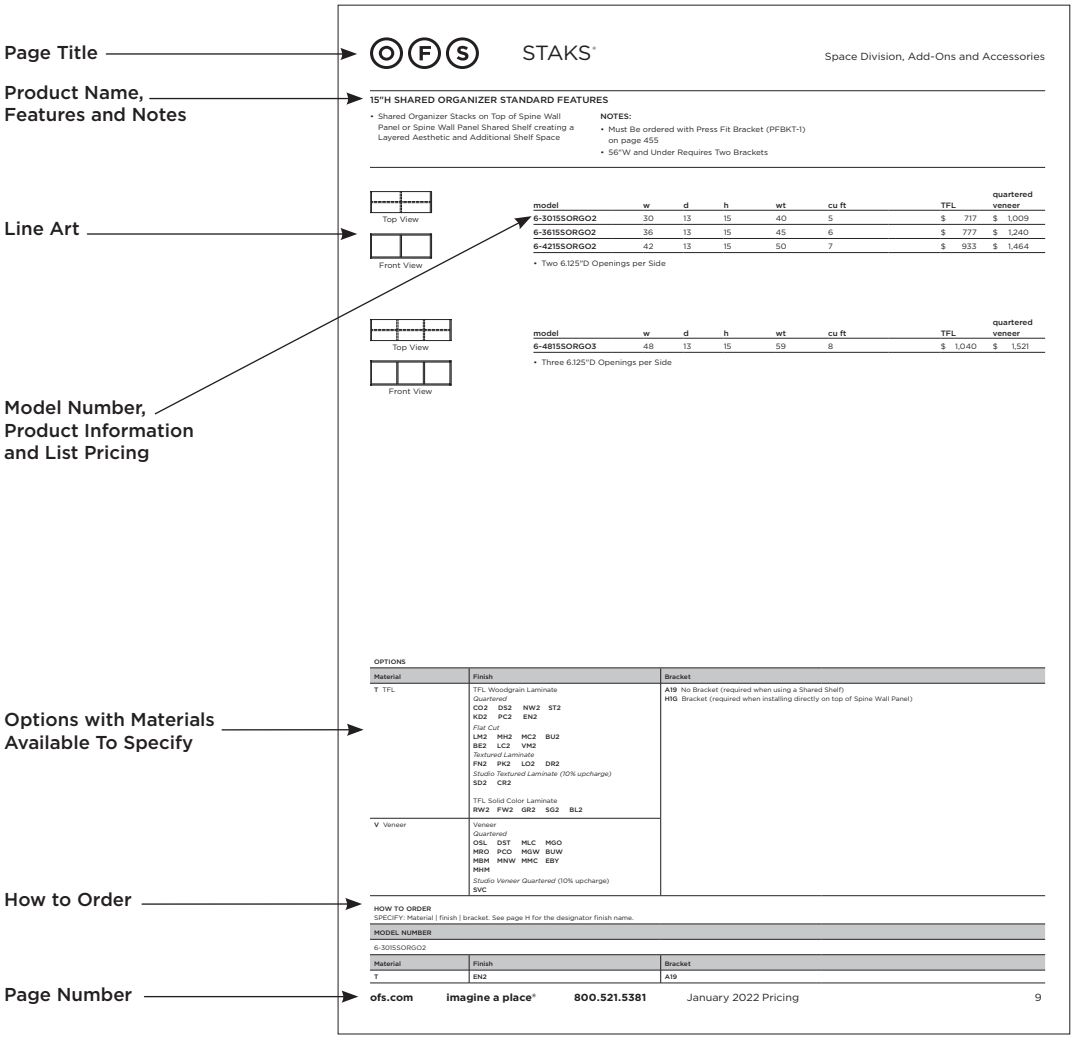

Location: Website

STAKS® Environmental Data Sheet is available for download on the STAKS® website, www.ofs.com/products/crossover/staks.

This STAKS® Price List is a planning guide and price list all rolled into one for easier specifying and ordering. The Introduction section contains basic terms and conditions and warranty information, plus a very helpful Typicals section to help jump start space planning with STAKS®. Typicals cover a wide array of office set-ups and workstations to generate ideas for optimum space planning.

The bulk of this STAKS® Price List features sections for individual components. These sections are organized in the order that is easiest to specify STAKS®. Viewers specifying from individual components should start with Space Division components, then move into Pedestals & Lateral Files, then Worksurfaces and more.

Each component section features an overview page and pricing pages. Overview pages highlight key features, special notes and information pertaining to those specific components. Pricing pages feature component pricing along with all line art, model numbers, dimensions, weights, cubes and ordering examples for ease.

WARRANTY

OFS casegoods products are guaranteed to be free from defects in design, material and workmanship, given normal use and proper care, for 12 years of single-shift service from date of purchase as shown on your original receipt or other proof of purchase with the exceptions noted below. OFS will repair or replace, at our discretion without charge to the original purchaser, any product or part thereof which fails as the result of such a defect during the warranty period. Freight or other shipping charges on returned product or part must be prepaid by the purchaser. Labor and service not covered under warranty. OFS assumes no responsibility for repairs to products that result from user modifications, attachments to a product, misuse, abuse, alteration or negligent use. Except as stated above, OFS makes no expressed or implied warranties as to any product and, in particular, makes no warranty of merchantability or of fitness for any particular purpose. OFS shall not be liable for consequential or incidental damages arising from any product defect.

All components not listed below – 12 years
All drawer glide suspensions – lifetime
All locking mechanisms – lifetime
All door hinges – 12 years
Door latches – 12 years
Drawer pulls – 12 years
Task lights – 3 years
Casters/hydraulic and pneumatic lifts – 2 years
Foam padding – 2 years
Base height adjustable mechanism – 5 years
Electrical components/Power supplies – 1 year

This warranty does not cover:
- Damage caused by a transportation company.
- Natural variations in color, grain or texture of wood and other covering materials over which OFS has no control.
- Damage created by loading file drawers with anything other than hanging files.
- Conference tops attached to any other manufacturer's base.
- Fabric color matching, fabric pudding, fastness of colors or wearing qualities of any material.
- Freight or other shipping charges on returned product or parts, labor and service.

ORDERING INFORMATION

All orders should be placed with:
OFS
1204 East 6th Street
Huntingburg, IN 47542
Phone: 800.521.5381
Fax: 812.683.7256
Email: order_entry@ofs.com

A customer drawing or sketch of the planned configuration in all applications will facilitate order processing.

PRICES

All prices herein are list prices including delivery to one destination, effective with the date printed on the cover and supersede all other published price lists. US List Prices are domestic prices only for shipment within the Continental United States. Prices are subject to change without notice, unless quoted in writing. Possession of the price list does not constitute authority to sell or offer for sale OFS products.

ACKNOWLEDGMENTS

Orders are acknowledged upon receipt of credit approval. Your acknowledgement is a detailed description of items, prices, shipping information and shipping date. Please read your acknowledgment closely and notify OFS immediately of any discrepancies. OFS is not responsible for errors on orders placed by phone without written confirmation.

AVAILABILITY

OFS is committed to the fastest possible shipment of all products. All other items are available within our normal manufacturing schedule. For information on stock availability, call our STAKS® Project Spec Analyst hotline 1.800.983.4415. Note: Planned shipping dates may be delayed due to fires, strikes, natural disasters or other causes beyond our control.

QUANTITY ORDERS

Contact your STAKS® Project Spec Analyst to verify inventory and production schedules to ensure requested shipment date prior to placing large quantity orders.

DELIVERY AND FREIGHT CHARGES

All shipments are F.O.B. point of shipment, freight prepaid and allowed, excluding surcharges. Shipments outside of the Continental United States are freight prepaid and allowed to port of exit. OFS reserves the right to select the most appropriate carrier and routing on all shipments; however, we will try to accommodate requests for your preferred carrier. OFS reserves the right to implement a surcharge. **Orders of less than $1,500 net** will be assessed a handling charge of $100 net per order. Any charges arising from failure to receive a shipment, rerouting while in transit or carrier storage charges are not included in prices shown. Orders requiring special services are subject to an additional charge. These services include:
- Reconsignment from original destination to new destination - $35 plus $3.00 per mile net
- Refused/Returned Freight
- Freight refused at destination and returned to OFS - Double Freight
- Freight refused at time of delivery; returned to OFS to deliver at a later date - Triple Freight
- Detention Fees (after 2 hours of waiting) - $85 net per hour
- Weekend delivery available Friday after 3:00 p.m. through Sunday night, or Holiday - $600 net per truck
- Customer Pickup
- Customer Request for 3rd party to pick up freight at OFS terminal - $125 net
- Change of Tags/Address/Phone #'s on Shipments - $35 net

CANCELLATION / ORDER CHANGES

All orders accepted by OFS are considered firm and binding and are not subject to cancellation.

WAREHOUSE STORAGE CHARGES

Update: Shipments cannot be held or stored for any length of time due to space constraints.
If a shipment is held beyond fourteen (14) calendar days after the order is ready for shipment at your request, a 0.067% per day (2% per month) storage charge will be assessed. The effective date will be fourteen (14) calendar days after the order is ready for shipment, as long as this date is after the acknowledged ship date. Further, the prices applied to the order will be those prices in effect at the time of shipment.

EXTENDED PRODUCTION / SHIP DATES

Orders placed with OFS with extended lead times as requested by you will be subject to price in effect at time of shipment.

DAMAGED MERCHANDISE AND FREIGHT CLAIMS

1. Inspect all cartons for damage and verify carton quantity. All shipments are delivered to the transportation company in good condition; OFS's liability ceases at this time. Do not refuse merchandise damaged in transit. Instead enter a claim with the transportation company.
2. Record damages and/or shortages on the bill of lading and freight bill. Do not accept the shipment until all shortages are noted on both the bill of lading and the freight bill. Sign only for the items you receive. If you give the delivering carrier a clear receipt for a shipment, the carrier is relieved of further responsibility.
3. If concealed damage is found: Notify the delivering carrier at once and request an inspection. For shipments via Styline Logistics, notify your STAKS® Project Spec Analyst. This must be done within 20 calendar days of delivery. Without this inspection the transportation company will not entertain a claim for loss or damage. If the carrier will not perform this inspection, you should prepare an affidavit that you contacted the carrier, noting the time and date, and that the carrier failed to comply with your request. All shipping cartons and inner packing must be retained for carrier inspection. Do not move the damaged merchandise from the receiving location. It must also be retained for the inspection.

RETURN OF MERCHANDISE

OFS will not accept returned merchandise without a signed Return Authorization (RA) issued by our STAKS® Project Spec Analyst Department. All returned merchandise must be properly packaged and cartoned to prevent further damage. Carton must be clearly marked with identifying RA number so that proper credit can be issued.

We will consider issuing RAs for the following reasons:
- Manufacturing defect (must be inspected by OFS sales representative)
- OFS order processing error
- Shipping error
- Duplicate shipments
- Mismarked cartons

All merchandise must be returned within thirty (30) days of the date of the RA to receive credit. Freight damage, signs of usage, missing parts, etc. will be adjusted on the amount of credit to be issued.

REPAIR CHARGES

Reimbursement from OFS for repairs must have prior approval.

CUSTOM FINISH

Custom finish matching is available for special requirements. OFS must be provided with a suitable 8″ x 10″ or larger finish sample. OFS has a complete library of previously developed custom finishes that may be an acceptable match. However, new custom finishes can be developed to meet specific needs. **There will be a $500 net upcharge per order for new custom finishes (waived on projects of $100,000 net price or more). Custom finish upcharge for repeat or additional orders will be $150 per order, even when the upcharge was waived on the original project.** Custom finish matches are valid for 12 months from sample date. After this time period, custom finishes must be rematched and reapproved for use.

FINISH DISCLAIMER

Some desktop accessories with plastic feet can penetrate or burn the finish. This is not a defect in the finish. Wood is a natural product and minor variations in wood color, grain and texture may be visible even though the pieces are finished at the same time. Also, light finishes when exposed to ultraviolet rays may darken and change color. These are not defects in finish. Merchandise cannot be replaced because of these natural variations.

BIFMA AND ANSI TESTING

OFS is a member of the Business and Institutional Furniture Manufacturer's Association. Tests developed by BIFMA and approved by the American National Standards Institute (ANSI) determine the strength and durability of casegoods and seating in its everyday use. Although this testing does not serve as a warranty or guarantee, OFS products within this price list generally meet or exceed applicable BIFMA and ANSI standards.

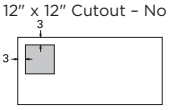

FLEXIBILITY AND CUSTOMIZATION

STAKS®, as a wood-based product, inherently accommodates custom fit needs. Spine Wall Panels, Divider Wall Panels, Worksurfaces and Storage can be sized for specific applications and field conditions. Furthermore, OFS has a vertically integrated internal supply chain providing a breadth of solutions from the most general modifications to specialized customs. We embrace the custom needs of our customers whether the request pertains to one configuration or an entire project application. The OFS STAKS® Project Team will assist with all requests to accommodate specific applications.

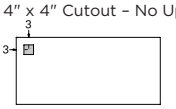

OPTIONAL WIRE MANAGEMENT ACCESS CUTOUT (factory installed)

Cutouts for wall receptacle accessibility. Available on back support panels. Specify the location of cutout on back support panel. It cannot be located closer than 3″ from any edge.

12″ x 12″ Cutout – No Upcharge

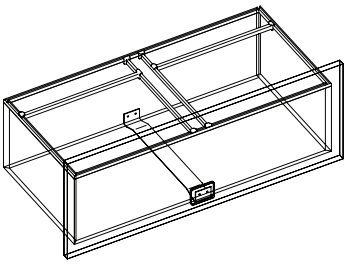

4″ x 4″ Cutout – No Upcharge

REINFORCED LATERAL FILE DRAWERS

Factory installed metal support bars for lateral file cabinets. When lateral files are used for storage other than hanging files, reinforced drawer bottoms must be specified as a modification. One support bar per drawer.

(1) Drawer Bottom Support for 2-Drawer Lateral File Cabinets **$96** list
(2) Drawer Bottom Support for 4-Drawer Lateral File Cabinets **$193** list

TACKBOARD FABRICS

A complete list of fabrics that have been tested for tackboard application can be accessed at www.ofs.com • Find Resources • Textiles • Feature • Tackable • Apply. If your selected fabric is not on the list, please contact your STAKS® Project Spec Analyst for approval.

KEYLESS CABINET LOCKING SYSTEM

Keyless cabinet locking system uses radio frequency technology. One transmitter pad can operate single or multiple receiver latches. The locking system operates with separate and programmable user and supervisor codes. Optional modes are available for manual locking, self locking or single use locking of drawers and doors. Please contact your Customer Service Representative for applicability and for a price quotation.

RE-KEYING IN THE FIELD

Lock cores and keys can be purchased separately. The purchase order must specify color, type, starting key # and number of sets (available in nickel, brass or black). Key numbers above number 150 are not stocked and may require a 3-week lead time. Orders ship standard FedEx ground. Please note: A Core Change must be ordered for lock cores that will be re-keyed in the field.

ITEM

LOCK - Set (each core key set) . . . . **$24 list**
Core Change . . . . . **$36 list**
Master Key . . . . . **$36 list**

ALL ITEMS ARE NON-RETURNABLE.

Note: See page J for STAKS® finish grid to be used in finish material coordination.

SPECIFICATION NOTES:

Solid color TFL laminates can be used with any of the above selections on options within the same unit (doors, drawers, shelves).

Flat Cut grain TFL and HPL laminates do not have quartered veneer patterns and therefore, we recommend use with solid color TFL laminates. Flat Cut patterns should not be used with quartered veneer finishes.

HPL's available on worksurfaces only.

INDOOR ADVANTAGE GOLD FURNITURE

All OFS and Carolina products have achieved **SCS Indoor Advantage Gold Certification** from SCS Global Services. Indoor Advantage Gold certification is SCS Global Services' highest level of indoor air quality performance for furniture. The certification assures that furniture products support a healthy indoor environment by meeting strict chemical emission limits for volatile organic compounds (VOCs). To be certified, products must be tested by independent labs for compliance with the ANSI/BIFMA X7.1, and either ANSI/BIFMA e.3 or CDPH/EHLB Standard Method V1-1 for VOC emissions of concerns.

level® is the multi-attribute, sustainability standard and third-party certification program for the furniture industry. It has been created to deliver the most open and transparent means of evaluating and communicating the environmental and social impacts of furniture products in the built environment. Taking into account a company's social actions, energy usage, material selection and human and ecosystem health impacts, level addresses how a product is sustainable from multiple perspectives. With level, customers can make informed choices about commercial furniture that exceed single attribute ecocertifications. The level brand identifies that a product has been vetted by an independent third party certifier and its numeric marking 1, 2, or 3 indicates what threshold of certification it has achieved. Manufacturers—big and small—now have a methodology to present the environmental characteristics in a clear, easily understood manner with a vernacular that gives end users the ability to make an "apples to apples" comparison.

SCS Global Services **[SCS]** has been providing global leadership in third-party quality, environmental and sustainability verification, certification, auditing, testing, and standards development for three decades. Its programs span a cross-section of industries, recognizing achievements in green building, product manufacturing, food and agriculture, forestry, power generation retail, and more. SCS is accredited to provide services under a wide range of nationally and internationally recognized certification programs. Consistent with its mission, SCS is a chartered benefit corporation and Certified B Corp™, reflecting its commitment to socially and environmentally responsible business practices.

The mark of responsible forestry

The FSC® standards **[Forest Stewardship Council®]** represent the world's strongest system for guiding forest management toward sustainable outcomes. us.fsc.org FSC certified products are manufactured with material that comes from managed forests that are traceable from the time the logs are cut to the time the final project is installed and are recorded by way of a COC or chain of custody claim on all invoices. The demand for certified forest products has grown significantly in recent years. OFS' and Carolina goal to act as a responsible steward of the environment encouraged us to pursue our FSC Chain of Custody [COC] certification which would provide our customers (Dealer, A&D Community and End-users) the added reassurance they've done their part to be earth friendly in their product purchase and enable them to substantiate the LEED **[Leadership in Energy and Environmental Design]** Materials & Resources Credits for certified wood, in which the intent is to encourage environmentally responsible forest management. FSC certification is optional on many, but not all, OFS' and Carolina product lines. Please contact OFS or Carolina Customer Service for information in regards to which of our product lines are available as FSC certified, and what the necessary procedures are for ordering FSC certified products from OFS and Carolina.

OFS' and Carolina company-owned transportation company, Styline Logistics, is **SmartWay**-certified. SmartWay is one of U.S Environmental Protection Agency's **[EPA]** clean air programs that uses voluntary, rather than regulatory methods, to achieve air quality benefits. SmartWay's focus is in the transportation sector, and encompasses products and services associated with fuel-consuming engines.

The "**Premium Indiana Forest Products**" brand tells everyone that there is an abundant, sustainable supply of the finest Indiana hardwoods to meet consumer demand. It also tells them that Indiana's forests are well-managed, legally-harvested and environmentally responsible. The logo is reflective of the wood itself. Indiana hardwoods display a depth that defies imagination.

The Euroluxe® finish is a chemically re-engineered Urethane clear coat that preserves the beautiful depth and clarity of OFS finishes, and allows for much greater performance with chemical and scratch resistance, all without dangerous formaldehyde emissions.

FIELD INSTALLED CORES & KEYS

Field Installed Cores & Keys
Select the **"LOCK"** option when ordering product with a lock. The product will initially ship with a plastic plug, which will be removed in the field and the lock core installed.

Cores & Keys will ship in a separate package. Multiple cores and keys may be shipped together in one package.

You do not need a Core Change to install the original lock core. Once installed, a Core Change is requred for removal. A Core Change may be ordered for **$36** list.

USING **LOCK** OPTION

When using **"LOCK"** option your cores and keys must be ordered separately by ordering **LOCK-SET(s)** (see below for ordering instructions) to satisfy the number of locking mechanisms required for product on your PO.

Five lock core models are available to pick from to be field installed. They are:

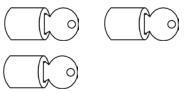

LOCK-SET- 1
This includes 1 core & 1 key

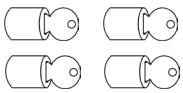

LOCK-SET- 2
This includes 2 cores & 2 keys

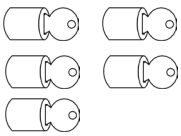

LOCK-SET- 3
This includes 3 cores & 3 keys

LOCK-SET- 4
This includes 4 cores & 4 keys

LOCK-SET- 5
This includes 5 cores & 5 keys

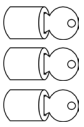

The options available on these models are:

OPTION 1: Color (Black, Nickel or Brass)
OPTION 2: Type (Alike, Random or Consecutive)
OPTION 3: Starting Key # (This applies to the Alike and Consecutive types only)
OPTION 4: Number of Sets

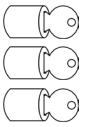

KEYING TYPES

Three keying options are available to pick from to be field installed. (Keyed Alike, Keyed Random & Keyed Consecutive)

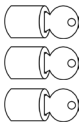

Keyed Alike all cores and keys on that line will match the starting key number selected.

Keyed Random all cores and keys on that line will be randomly selected. You do not have to pick a key number with this option.
Note: *you could end up with two of the same number when ordering large quantities.*

Keyed Consecutive all keys included in the quantity will be numbered in consecutive order starting with the starting key number you select. This will make sure no two numbers are the same. You must pick a starting key number.

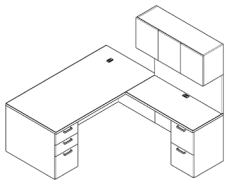

Standard Key # numbers range between 100-200 when using the Nickel color and 100-150 when using Black or Brass. Additional numbers 151-999 are available when using Black or Nickel Cores. There is no additional charge for key numbers 151-999 but they could potentially add additional lead time.

EXAMPLES

Example of using Keyed Alike
If you have one office that requires multiple cores & keys which all need to be the same lock number you could order

Model	Color	Type	Starting #	Number of Sets
LOCK-SET-2	Black	Alike	100	1

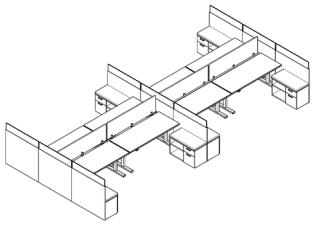

In this scenarios you would receive (2) cores and keys with the key number of 100.

Example of using Keyed Random
If you had 8 workstations that required one unique core & key per user you could order

Model	Color	Type	Starting #	Number of Sets
LOCK-SET-1	Black	Random	n/a	8

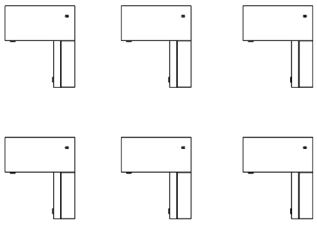

In this scenario you would receive (8) cores and keys consisting of 8 different numbers chosen randomly.

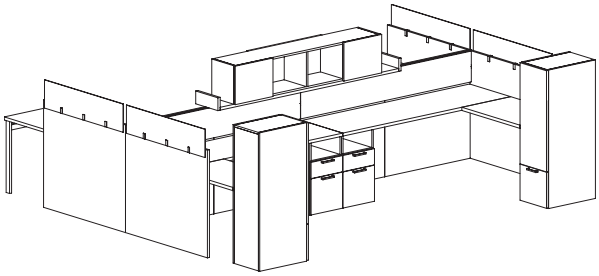

Example of using Keyed Consecutive
If you had multiple offices that required (2) cores & keys per office where each office requires matching keys you could order

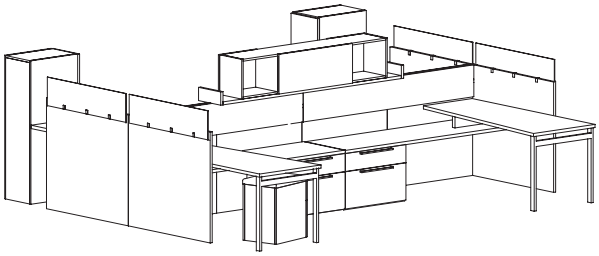

Model	Color	Type	Starting #	Number of Sets
LOCK-SET-2	Black	Consecutive	100	6

In this scenario you would receive (6) sets of cores and keys consisting of key numbers that would start from 100. You would have (2) 100's, (2) 101's, (2)102's...(2) 105's.

BASIC OVERVIEW: SPACE DIVISION, ADD-ONS AND ACCESSORIES

- 48", 42" or 33"H panels range from 12"–59.5" widths.
- Clean Seam Connector™ system provides a simplistic installation with pins and pass through clips, resulting in concealed panel connections for spine and divider wall panels. Clean seam connector kits are available in 10 versatile panel configurations.
- Transaction shelves available to provide a quick transition to reception applications. Installed using press fit brackets without defacing spine or divider walls.
- 42" and 33"H panels deliver personal privacy yet encourage collaboration with ideal sightlines, meeting LEED IEQ requirements for seated height views. (48" high panels available)
- Press fit bracket and saddle brackets are both available in polished aluminum and eight powder coat colors...

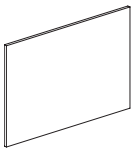

SPINE OR DIVIDER WALL STANDARD FEATURES

- Spine and Divider Walls Divide Workspace Providing Privacy for Focused Work or is a Perfect Division of Space for Studio Collaboration
- Levelers allow 1.75" Height Adjustability for Uneven Floor
- Vertical Grain Direction

NOTES:

- For Added Privacy, Add-On Privacy Panels which are available in a Variety of Materials 33", 42" or 48"H Panels Range from 12"– 59.5"W
- Must be ordered with Clean Seam Connector™ Kits on Page 436
- Contact your STAKS® Project Spec Analyst for Assistance

FROSTED ACRYLIC PRIVACY PANEL STANDARD FEATURES

- For Added Privacy, Add on Privacy Panels are available in Frosted Acrylic

NOTES:

- Translucent Privacy Panels Attach using Saddle Brackets without defacing Divider Wall Panels
- Rests on Side of Wall Panel
- Adds 8.5" to Panel Height
- Due to its Inherent Material Content, Acrylic Privacy Panels have a Tendency to Warp Under Various Conditions. OFS will not assume Responsibility for Replacement if this Happens. See page 34 to order Privacy Panel Trim.

HEIGHT ADJUSTABLE BRIDGE WITH BACK AND END PANEL STANDARD FEATURES

- Electronic height adjustable (29"- 45")
- Short Grain Direction on Worksurface
- Removable Inside Back Panel for Wire Management
- 12"D Support Panel Each End
- G3 Center Grommet Standard
- Wire Management Column Provided with Unit
- 1" Clearance Created Between Adjacent Worksurface for Safety
- Table maximum weight allowance is 100 lbs

NOTES:

Not Recommended for Use with Tackboard

Must be attached to adjoining units or the wall

HEIGHT ADJUSTABLE DESK SHELL WITH JOINED BRIDGE STANDARD FEATURES

- Electronic height adjustable (29"- 45")
- Desk & Bridge Worksurfaces Operate together with one controller
- Wire Management Column Provided with Unit
- Table maximum weight allowance is 100 lbs

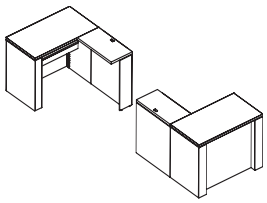

DESK:

- Fixed Shelf in Kneespace (16"D Kneespace)
- Wing Ends with Removable Outside Panel for Wire Management
- Optional Height Adjustable Partial Modesty Panel Attaches to Worksurface

BRIDGE:

- Short Grain Direction on Bridge Worksurface
- Removable Inside Back Panel for Wire Management
- 12"D Support Panel Outside End
- G3 Center Grommet Standard
- Includes 1" Thick Filler for Spacing

NOTE: Not Recommended for Use with Tackboard

HEIGHT ADJUSTABLE DESK SHELL WITH JOINED RETURN STANDARD FEATURES

- Electronic height adjustable (29"- 45")
- Desk & Bridge Worksurfaces Operate together with one controller
- Wire Management Column Provided with Unit
- Table maximum weight allowance is 100 lbs

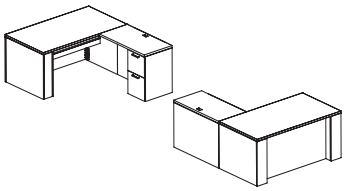

DESK:

- Fixed Shelf in Kneespace (16"D Kneespace)
- Wing Ends with Removable Outside Panel for Wire Management
- Optional Height Adjustable Partial Modesty Panel Attaches to Worksurface

RETURN:

- Short Grain Direction on Worksurface
- Two - 13"D File Drawers
- Letter Filing Only
- G3 Center Grommet Standard

NOTE: Not Recommended for Use with Tackboard

HEIGHT ADJUSTABLE FULL SINGLE PEDESTAL DESK WITH JOINED BRIDGE STANDARD FEATURES

- Electronic height adjustable (29"- 45")
- Desk & Bridge Worksurfaces Operate together with one controller
- Wire Management Column Provided with Unit
- Table maximum weight allowance is 100 lbs

NOTE: Not Recommended for Use with Tackboard

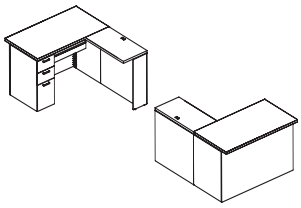

DESK:

- Fixed Shelf in Kneespace (16"D Kneespace)
- Wing End with Removable Outside Panel for Wire Management
- Two - 13"D Box Drawers
- One - 13"D File Drawer
- Letter Filing Only
- Optional Height Adjustable Partial Modesty Panel Attaches to Worksurface

BRIDGE:

- Short Grain Direction on Worksurface
- Removable Inside Back Panel for Wire Management
- 12"D Support Panel Outside End
- G3 Center Grommet Standard
- Includes 1" Thick Filler for Spacing

T	EN2	EN2	EN2	H3V	C8L	ASPN	ASPN	X9	NL	X9	X9	H7B	H4G	G1	LJ	RMVP

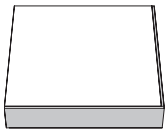

BASIC OVERVIEW: WORKSURFACES, SUPPORTS AND ADD-ONS

- Worksurface height and low height worksurfaces are in HPL, TFL or wood veneer. Refer to pages 100-126 of this pricer for a complete listing.
- Worksurface height worksurfaces in 11 shapes and multiple sizes that best fit office layout and work style needs. Low and bench height worksurfaces rectangular shape only.
- 120° surface angles provide abundant collaborative meeting space in a reduced overall footprint.
- STAKS® steel metal H leg supports worksurfaces and facilitates the creation of a lighter scale furniture design.
- H leg and metal square supports are both available in powder coat colors.
- Panel insert option for H leg support.
- End support panel, wing end assembly, back support panel, back support panel with fold down access, I beam support, riser support panel and support base are all available in wood veneer, TFL Woodgrain or TFL solid colors.
- Worksurface privacy panel creates division between users within same workstation and are available in acrylic, single sided or frosted glass.
- Worksurface edge modesty provides privacy in the open plan environment, as well as promotes division of space. Available in wood veneer, TFL Woodgrain, TFL solid colors or acrylic.

WORKSURFACE AND EDGE MATERIAL AVAILABILITY

Thermally-Fused Laminate with 2mm PP Edge - Solid Color and Woodgrain

SURFACE Thermally-fused laminate in solid colors and Woodgrains
ALL 4 EDGES 2mm PP in solid colors and Woodgrains

EY Square 2mm Edge

HPL with 2mm Solid Color PP Edge

SURFACE Wilsonart HPL and OFS Woodgrain HPL*
ALL 4 EDGES 2mm flat PP in solid colors
* MEP, NWP and STP also available with matching Woodgrain 2mm PP edge

EY Square 2mm Edge

HPL with 2mm Wood Edge

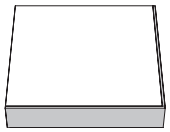

SURFACE OFS Woodgrain HPL
ALL 4 EDGES 2mm matching finished wood

DN Square 2mm Edge

Wood Veneer with 2mm Wood Edge

SURFACE Wood Veneer

BASIC OVERVIEW: SPACE DIVISION, ADD-ONS AND ACCESSORIES

- Worksurface height, low height and bench height pedestals embrace cabinet based design providing numerous standard storage options sized to meet any work style.
- All worksurface and low height pedestals available in both 21.875" or 19.375" deep. Bench height only available in 21.875" depth.
- 2.5" gap behind pedestals intended for quick access to wire management.
- Cushion options include rectangular and circular shapes in multiple sizes for addition to low or bench height pedestals, providing ancillary guest seating.
- Optional locking.
- Optional finished backs.

WORKSURFACE HEIGHT PEDESTAL STANDARD FEATURES

- Worksurface Height
- One File Drawer for Letter or Legal Filing
- Cannot be used as a Freestanding Unit

***Denotes Models that Leave a 2.5"D Gap Behind the Pedestal and Underneath the Worksurface for Wire Management**

CONFIGURATION EXAMPLES

Double Bench Height Pedestal No Riser Support

Features:
Double pedestal
Configure by ordering two 6-N _ _ 22SSHC units from pages 206 and 207

Notes:
For use on floor without riser support
Optional cushion sold on pages 210 and 211
(Triple cushion non applicable)
Left and right pedestals can be configured differently - see pages 206 and 207
Cannot be used as a freestanding unit

Double Bench Height Pedestal Used with Riser Support

Features:
Double pedestal
Configure by ordering two 6-R _ _ 22SSHC units from pages 206 and 207

Notes:
Must be used with riser support sold on page 212
Optional cushion sold on pages 210 and 211
(Triple cushion non applicable)
Z2 option is not available on this unit
Left and right pedestals can be configured differently - see pages 206 and 207
Cannot be used as a freestanding unit

Triple Bench Height Pedestal No Riser Support

Features:
Triple pedestal
Configure by ordering three 6-N _ _ 22SSHC units from pages 206 and 207

Notes:
For use on floor without riser support
Optional cushion sold on pages 210 and 211
Left, center and right pedestals can be configured differently - see pages 206 and 207
Cannot be used as a freestanding unit

Triple Bench Height Pedestal Used with Riser Support

Features:
Triple pedestal
Configure by ordering three 6-R _ _ 22SSHC units from pages 206 and 207

Notes:
Must be used with riser support sold on page 212
Optional cushion sold on pages 210 and 211
Z2 option is not available on this unit
Left, center and right pedestals can be configured differently - see pages 206 and 207
Cannot be used as a freestanding unit

BASIC OVERVIEW: ABOVE WORKSURFACE STORAGE AND ADD-ONS

- Wallmount storage provides higher elevation storage. Doors are available in sliding, hinged or open designs.
- Highback organizer provides more conventional application. Doors available in sliding, hinged or open designs.
- Highback, wallmount or worksurface organizer doors can be specified with a matte aluminum frame with acrylic or white backed glass inserts. Also available with vinyl wrapped frame and frosted glass insert, as well as panel doors in all wood veneer, TFL woodgrain or TFL solid colors. Refer to page H of this pricer for a complete listing.
- Worksurface cabinets make an efficient use of vertical space.
- Transaction counter available to provide a quick transition to reception applications. Sits on worksurface height worksurface.
- Tackboards and tackboard markerboard combinations promote personalization to meet the needs of every individual..

HIGHBACK ORGANIZERS AND MULTI HIGHBACK ORGANIZERS

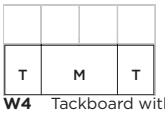

When selecting fabric-only tackboards, specify tackboard by model number (see page 249 for highback organizers and page 253 for multi highback organizers).

Tackboards with markerboard configurations must be assembled and installed in highback organizers and multi highback organizers at the factory. Markerboards are available in white or silver. Specify the appropriate option.

No Tackboard

X9 No Tackboard
No Upcharge

Tackboard with Markerboard -

W4 Tackboard with White Markerboard -
For 60"-84" **$643**
For 90"-106" **$869**

BASIC OVERVIEW: LATERAL FILES, TOWERS AND BOOKCASES

- Storage towers available in 15.625", 24", 30", 36" and 40" widths.
- Storage towers available in 42", 48", 54" and 72" heights.
- Storage tower doors can be specified with a matte aluminum frame with acrylic, or white backed glass inserts. Also available with vinyl wrapped frame and frosted glass insert, as well as panel doors in all wood veneer, TFL woodgrain, TFL solid colors.
  Refer to page H of this pricer for a complete listing.
- Freestanding lateral file drawers in 24", 30" and 36" widths support ancillary storage requirements.
- Bookcases available in 30" and 36" widths.
- Bookcases available in 42", 54" and 72" heights.
- Bookcase organizers available in 22", 24", 30" and 36" widths and are designed to sit directly on any worksurface.
- Bookcase organizers available in 25" and 43" heights and are designed to sit directly on any worksurface.

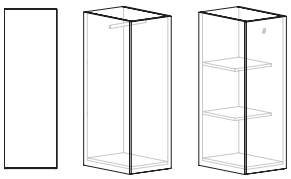

SINGLE DOOR STORAGE TOWER STANDARD FEATURES

- Storage Towers Enhance Privacy, Support Worksurfaces and Store Personal Items
- Storage Option R7:
  Full Length Storage with Hanging Bar
  One Stationary Shelf
- Storage Option R8:
  Two Adjustable Shelves
  One Stationary Shelf
  Coat Hook on Back Side of Door

BASIC OVERVIEW: WORKSURFACES, SUPPORTS AND ADD-ONS

- Rectangular benching worksurfaces available in 54", 60", 66" and 72"W sizes.
- Center cross rail mounted privacy panels available in tackboard only.
- Worksurfaces available in TFL, HPL or wood veneer. Refer to Page 336 of this pricer for a complete listing.
- STAKS® height adjustable bases support worksurfaces and facilitates the flexibility to stand and change positions.
- Metal base components are available in three powder coat colors.
- Worksurface edge modesty creates division between users within same workstation and is available in TFL, veneer, acrylic, or tackboards.
- Floor storage units provide additional storage and space division, as well as provide seating for impromptu meetings.
- Electrical components are easily attached to the underside of center cross rail for easy electrical access for each user.
- Wire or PET baskets allow for easy management of electrical wiring and data cabling.

WORKSURFACE AND EDGE MATERIAL AVAILABILITY

Thermally-Fused Laminate with 2mm PP Edge - Solid Color and Woodgrain

SURFACE Thermally-fused laminate in solid colors and Woodgrains
ALL 4 EDGES 2mm PP in solid colors and Woodgrains

EY Square 2mm Edge

HPL with 2mm Solid Color PP Edge

SURFACE Wilsonart HPL and OFS Woodgrain HPL*
ALL 4 EDGES 2mm flat PP in solid colors
* MEP, NWP and STP also available with matching Woodgrain 2mm PP edge

EY Square 2mm Edge

HPL with 2mm Wood Edge

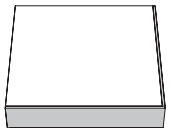

SURFACE OFS Woodgrain HPL
ALL 4 EDGES 2mm matching finished wood

DN Square 2mm Edge

Wood Veneer with 2mm Wood Edge

SURFACE Wood Veneer
ALL 4 EDGES 2mm matching finished wood

DN Square 2mm Edge

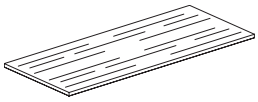

HEIGHT ADJUSTABLE WORKSURFACE STANDARD FEATURES

- For Height Adjustable Applications
- Long Grain

NOTES:

- Square Edge Standard
- Includes Height Adjustable Control, Switch and Cables

- Optional Top Material, Edge Finish Combinations (see page 336)

HEIGHT ADJUSTABLE WORK GROUP END COMBO CABINET STANDARD FEATURES

- Low Height Cabinet with Lifting Columns One Side
- One Box Drawer
- One File Drawer for Letter or Legal Filing
- Height Adjustable Control, Switch and Cables Specified with Height Adjustable Worksurface
- With Worksurface Unit Adjusts from 29" to 47.875"
- Removable Access Panel
- Single Sided for Single User (One Lifting Column)
- Includes Cutout for Mounting Cross Rail
- One Adjustable Shelf
- Must be ordered with worksurface models: 6-5430HAWS, 6-6030HAWS, 6-6630HAWS, or 6-7230HAWS

BASIC OVERVIEW: WORKSURFACES, SUPPORTS AND ADD-ONS

- Rectangular benching configurations available in 96", 120", 144", 180", 192", 216", 240" and 288"W sizes.
- Tri and quad cluster configurations available.
- Worksurfaces available in TFL, HPL or wood veneer. Refer to page 371 of this pricer for a complete listing.
- STAKS® metal leg supports worksurfaces and facilitates the creation of a lighter scale furniture design.
- Metal base components are available in eight powder coat colors.
- Worksurface privacy panel creates division between users within same workstation and is available in TFL, veneer, acrylic, glass, dry erase laminates or tackboards.
- Floor storage units provide additional storage and space division, as well as provide seating for impromptu meetings.
- Above surface storage units provide additional storage space while also creating a visual barrier between users.
- Electrical components are easily attached to the underside of toolrails for easy electrical access for each user.
- Wire baskets allow for easy management of electrical wiring and data cabling.

MATERIALS

Note: See page J for STAKS® finish grid to be used in finish material coordination.

BASIC OVERVIEW: BRACKETS

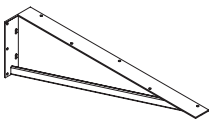

- Starter wall posts attach spine or divider wall panels directly to interior building wall.
- Worksurface to storage bracket connects only worksurface height or low height worksurface to storage towers.
- Clamp plate adjoins two worksurfaces at seam on underneath side of worksurface.
- Worksurface privacy panel bracket clamps on worksurface and supports privacy panels for division of space between users.
- Worksurface edge modesty bracket clamps on front edge of worksurface to support modesty panel above and below the worksurface, providing personal privacy in a collaborative environment.
- Cantilever brackets or concealed cantilever brackets can be used on unsupported worksurfaces of 48"W or greater where pedestals are not utilized for support.
- Worksurfaces are cantilevered from spine and divider wall panels to maximize leg clearance and assist in channeling cable management, providing 1.5" gap between worksurfaces and spine and divider wall panels.

CANTILEVER WORKSURFACE BRACKET STANDARD FEATURES

BASIC OVERVIEW: ELECTRICAL

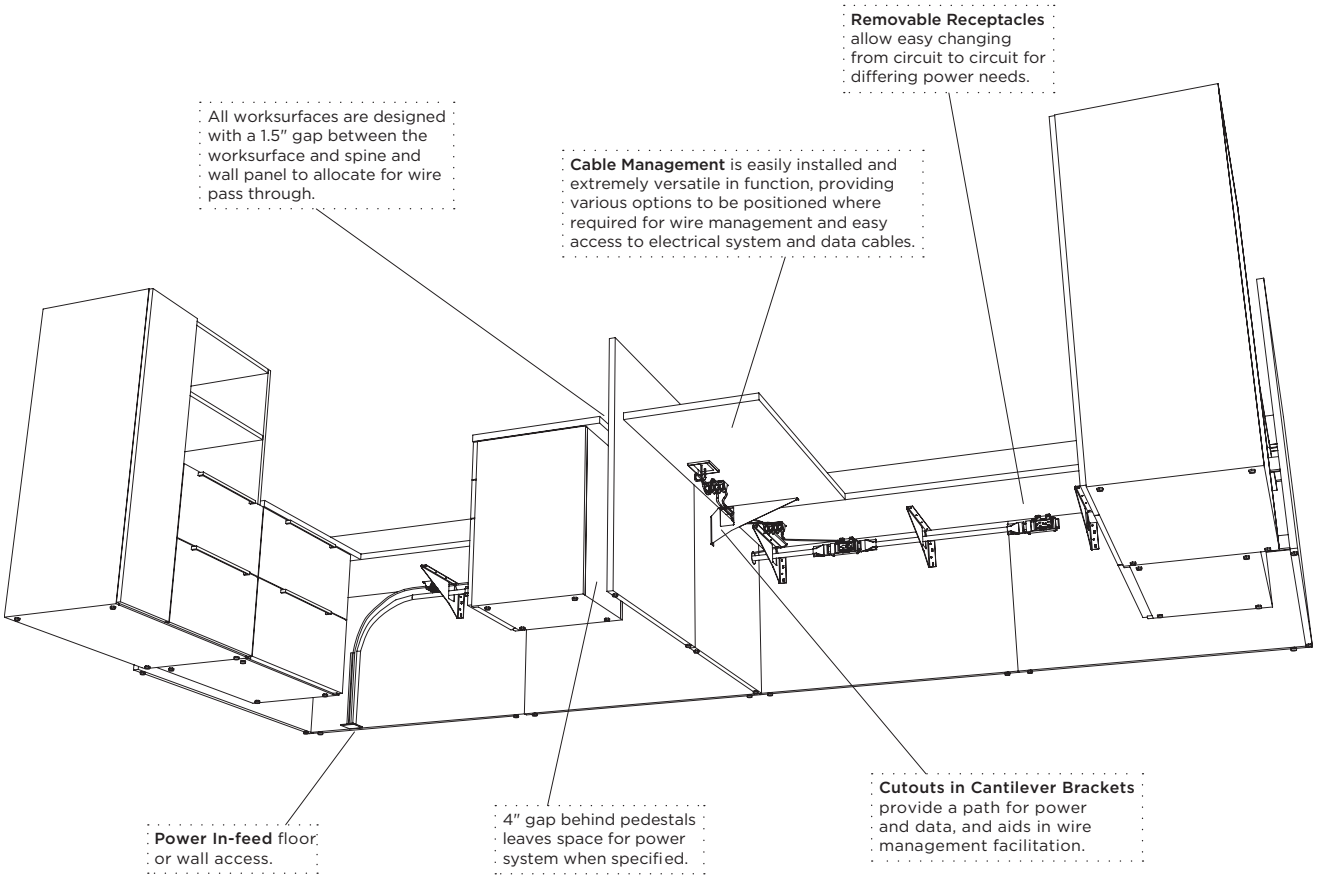

STAKS® offers a variety of optional power and data accessories including Grommets, Retractable Supplies and Power/Data Centers.

Power/Data Centers contain duplex receptacles and preinstalled blank data port inserts for switching out in the field. Voice and data RJ-11 and RJ-45 modules can be ordered to replace the preinstalled blank data ports in the field.

STAKS® offers three simple UL listed electrical systems based on a customer's need:

1. A 4-wire, 2 circuit system, providing a cost effective solution with the flexibility of quick reconfigurability
2. An 8-wire, 4 circuit system offering more load and ground capabilities
3. A fully enclosed system with all power and data laid in a secure channel. Contact your STAKS® Project Spec Analyst to coordinate high level security for data and electrical

- Both systems support STAKS® Power/Data Centers in single circuit, multi-circuit or stand alone applications while providing immediate access at the worksurface. STAKS® also cleanly manages wires and cabling away from work areas through a variety of accessory options.
- Wire management is designed to pass through spine or divider wall panels, behind storage pedestals and under worksurfaces for maximum concealment and easy access for the user.

POWER IN-FEED EIGHT-WIRE ELECTRICAL SYSTEM STANDARD FEATURES

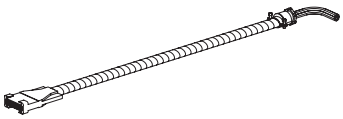

LIQUID TIGHT CONDUIT

model	w	d	h	wt	cu ft	list
PWF3L120	10′	2	1	14	1	$ 303

- 10′ Cord
- Hardwire
- UL Listed

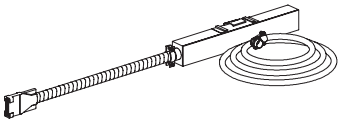

METAL CONDUIT

model	w	d	h	wt	cu ft	list
PWF3M120	10′	2	1	14	1	$ 247

- 10′ Cord
- Hardwire
- UL Listed

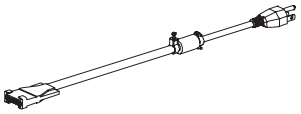

METAL CONDUIT

model	w	d	h	wt	cu ft	list
PWF3NYC	6′	2	1.5	17	1	$ 277

- 6′ Cord
- Complies with New York City Code
- UL Listed

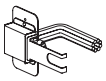

POWER IN-FEED

model	w	d	h	wt	cu ft	list
PWF3M20AMP	6′	n/a	n/a	4	1	$ 217

- Limits System to One Circuit (Must Use all Circuit I Outlets)
- 20 Amp Plug
- Usage Requires 20 Amp Wall Outlet
- Straight Plug
- 6′ Cord
- UL Recognized

ROTATING POWER

model	w	d	h	wt	cu ft	list
PWF3QD	6.5	4.75	1	2	1	$ 126

- Quick Disconnect Wall Outlet
- Allows Cords to be Removed from Wall when Hardwiring
- UL Listed

CONNECTOR STANDARD FEATURES

- UL Listed

H BLOCK

model	w	d	h	wt	cu ft	list
HCB2	0.25	2	2	1	0.1	$ 41

- Enables Power Connection to Start at any Point in the Chain of Tables
- Allows Junction of up to Four Jumpers

JUMPER

model	w	d	h	wt	cu ft	list
JC-2	0.25	0.75	2	1	0.1	$ 29

- Allows Connection of Two Jumpers

BUW

STANDARD FEATURES

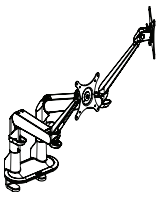

MONITOR ARM

model	w	d	h	wt	cu ft	list
MA-1	n/a	n/a	n/a	10	.75	$ 832

- Angled Mini Arm
- Satin Chrome
- Accommodates 5-15 lb. Monitors
- 250N Gas Cylinder
- Through Desk Mount; to Pass Cables Through Grommet Cutout, Cutout Cannot be Smaller Than 1.875"W. If Cables are run through Another Access Point, a 0.375"W Cutout is Required for the Mount Bolt.

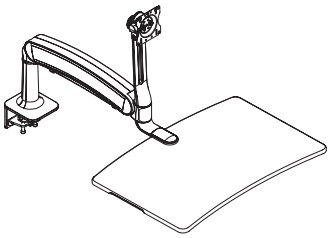

DUAL MONITOR ARM

model	w	d	h	wt	cu ft	list
MA-1D	n/a	n/a	n/a	10	1	$ 1,236

- Angled Mini Arm
- Satin Chrome
- Accommodates 5-15 lb. Monitors each Arm
- 250N Gas Cylinder
- Workedge Mount Only

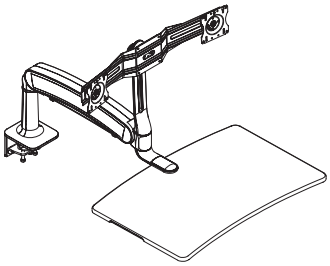

SIT/STAND MONITOR-KEYBOARD ARM

model		w	d	h	wt	cu ft	list
MKA-1SB	**STAIN BLACK**	28	24	19.875	20	5	$ 1,129
MKA-1SS	**SILVER**	28	24	19.875	20	5	$ 1,129

- Single Monitor Arm
- 18.5" Height Adjustment
- 28" x 18" Worksurface Platform
- Integrated Cable Management
- 6.3" Monitor Height Adjustment

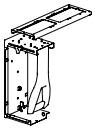

SIT/STAND MONITOR-KEYBOARD ARM

model		w	d	h	wt	cu ft	list
MKA-1DB	**STAIN BLACK**	28	24	19.875	25	5	$ 1,297
MKA-1DS	**SILVER**	28	24	19.875	25	5	$ 1,297

- Dual Monitor Arm
- 18.5" Height Adjustment
- 28" x 18" Worksurface Platform
- Integrated Cable Management
- 6.3" Monitor Height Adjustment

CPU HOLDER

model	w	d	h	wt	cu ft	list
CPUH-1	8.3	17	18	10	1	$ 207

- CPU Holder
- Fixed or 360° Swivel
- 17" Glide Track
- Soft Touch Adjustment Knob
- Stores CPU Vertically below Worksurface
- Height Adjustable from 14.5" to 22.5"
- Width Adjustable from 3.5" to 9.3"
- All Metal Finish Black Powder Coat

GLASS MARKERBOARD MAGNETS

model	w	d	h	wt	cu ft	list
MGT-1	n/a	n/a	n/a	1	1	$ 173

- Rare Earth Magnets for use on Glass Markerboards with Anodized Backer (D1L)
- Set of Five
