Availability

Items on the OFS and Carolina QuickShip program will be delivered on or before 12 business days from date of credit approved order. The only exceptions are for shipments to Maine, Oregon, and Washington which will be delivered on or before 14 business days from date of credit approved order. Statutory holidays and scheduled factory closings may add to acknowledged lead times of QuickShip orders.

Available factory capacity for QuickShip is filled by orders received on a "first come, first served" basis. If the normal 12-day lead time is not available because available capacity has been filled, you will be immediately advised.

QuickShip orders must be "clean" when received in order to be considered officially received on a given day, and lead times will be acknowledged from the date orders are determined to be "clean." Cancellations or changes to QuickShip orders are not allowed under any circumstances.
